Dear Sir:

RESPONSE

In response to the Office Action dated March 26, 2002, a request for a three month extension of time is submitted herewith.

Please amend the above-identified application as follows:

In the Claims

Please cancel claim 15, 16, 19 and 20.

Please amend claim 6 as follows:

6. (Twice Amended) A method of making a building component, which comprises the steps of connecting together a plurality of lengths of lumber to form a frame, forming at one side of said frame a layer of a fiber reinforced composite coating material and causing the coating material to solidify in adherence with said lumber into a skin of fiber reinforced composite
